## **BHCC STUDY ABROAD APPLICATION STATEMENT OF UNDERSTANDING**

The Study Abroad Advisors will provide applicants and recipients with significant support, information, and answers to questions throughout the process. However, students must understand certain responsibilities as well.

In my submitting of this application, I, \_\_\_\_\_, have read and understand the following:

1. The Study Abroad Scholarships Program at Bunker Hill Community College (BHCC) is a unique college and national model because it pays 80% of the total program costs. Funds are secured from the College and the Student Government Association. The Study Abroad Scholarships Program is very competitive. A panel of 8-10 staff, faculty and previous scholarship recipients will be using a consistent and objective rubric standard to select the scholarship recipients. There are many factors in choosing the scholarship finalists. The decisions of the study abroad committee are therefore final.
2. If chosen for the study abroad scholarship, it is my full intention to participate in this opportunity, and I will be prepared to pay a \$200 deposit to the International Center staff at the February orientation. If I withdraw from the program for any reason (except hospitalization, etc.) after signing my BHCC acceptance contract, BHCC may use its discretion to keep this deposit. In addition, I will be responsible for any unrecoverable fees or monies, including airfare, already incurred by me or by BHCC on my behalf. BHCC will expect that any money owed the College will be paid within a reasonable time. At the February orientation, I will also submit proof that I have adequate health insurance to cover all health insurance related expenses for my study abroad program.
3. I understand that the costs and dates in the brochures are subject to change and to be used for planning purposes only. At the February orientation, the advisors will provide an approved program budget, with allowances for books, room and board, and personal expenses. I understand that I will be paying 100% of any voluntary expenses beyond this budget (first-class airfare, extravagant souvenir or meal purchases, additional travel while abroad, etc.).
4. I will be purchasing and arranging my own airfare, which generally is about 20% of the total program costs. If my airfare is markedly higher than others on my program (because I delayed in buying tickets, because I am adding extra travel before or after, etc.), BHCC will only cover 80% of the standard amount. However, if airfare is demonstrably high for a certain program, that program's budget may be increased for all program students. I will contact the advisors before purchasing any ticket beyond the allotted budget.
5. If chosen for the scholarship, I will be primarily responsible for researching and securing any passport and/or visa(s) needed to study in my chosen country and re-enter the U.S. (if I am unable to re-enter the U.S. I will tell the Advisors as soon as possible, and I understand this may impact my scholarship eligibility). At the February orientation, the advisors will guide students in online visa research. With the advice of the advisors, I will then be responsible for applying for and securing my own visa(s) by April 15, 2010. I will give a copy of my visa and passport to the International Center.
6. I understand that the Study Abroad Scholarship is a credit-bearing, rigorous academic program, and that part of its value lies in making individual adjustments to a new culture. For these reasons, this scholarship is intended for the recipient only. I understand that it is not appropriate for any other friend, significant other, or dependent to accompany the study abroad student.
7. If chosen for this scholarship, I will attend all orientations, closely follow the directions and advice given me and will be a good ambassador of the College to the other country. I will also maintain a minimum GPA of 2.5 through the end of Spring 2010 semester or I will not be eligible for any study abroad program.
