

ARTICULATION AGREEMENT

Bunker Hill Community College and Everett High School

*Associate in Science Degree: Network Technology and Administration Option
Network Technology and Administration Certificate Program*

Effective Agreement Date: March 2, 2009

Course(s) to be Articulated, Number of Credits to be awarded, and Requirements to be achieved for CISCO Networking Academy courses are as follows:

Secondary School Course(s)	Post-Secondary School Course(s)	# Credits	Requirement(s) for Credits*
COURSE # 995 PC HARDWARE/OPERATING SYSTEMS Taught As IT Essentials in the CISCO Academy Program	CIT182 PC Hardware	3	A final grade of B or higher in the individual course. Receipt of the Certificate of Completion for successfully passing all course assessments, labs & other activities to be validated through the CISCO Academy Web Site (A minimum grade of 70 or higher is required to pass these examinations).

*In addition to meeting the requirements above, the student must have maintained an overall grade point average (GPA) of C for the 11th and 12th grade in order to receive articulated credits into the college's Network Technology and Administration Option or Certificate.

Students who have fulfilled the learning competencies/outcome objectives as identified by their high school transcript are recommended as being competent in these subject matters and can be recognized for a total of three (3) transfer credits at Bunker Hill Community College as outlined above.

Applicants for credit must meet all the admission requirements of Bunker Hill Community College and be an enrolled/registered student before credit is awarded.
