Learning Community Seminars

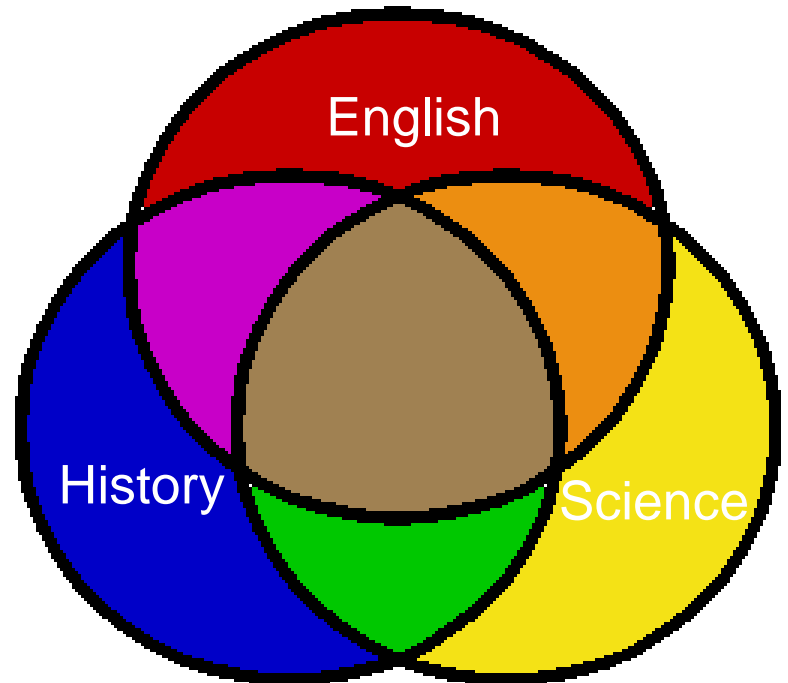

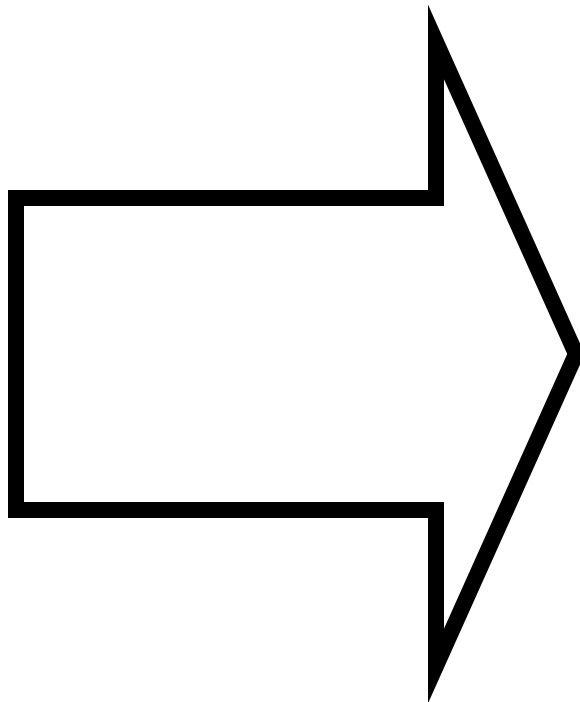

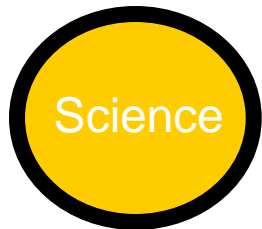

What do students say about The Learning Community Seminar?

“In this kind of class, you get to know other students. You can call them to find out about homework, but it’s more than that. It’s about the connections. In this class I feel surrounded by help.”

Learning Community Clusters

What do students say about Learning Community Clusters?

“This course has helped me realize who I am . . . It helped me realize where I want to be and how I need to get there.”
