Financial Aid

Eligibility
Bunker Hill Community College awards millions of dollars in federal, state and institutional financial aid each year to eligible students. Many students, however, miss out because they do not think they are eligible and do not complete the Free Application for Federal Student Aid (FAFSA). To apply for financial aid, students must complete the FAFSA available on the Federal Financial Aid Website at www.fafsa.ed.gov. When completing the FAFSA online, be sure to list Bunker Hill Community College is the “Schools Information Section”. BHCC’s code is 011210. Financial Aid can be used to pay for tuition, fees, books, transportation, and other educational expenses. We strongly encourage you to complete the FAFSA. Once BHCC has received your FAFSA, you will be notified of any additional requirements. Please note that summer financial aid is only available for students who have already been accepted and are currently matriculated at the college. The Admissions Office does not accept students for the summer semester and financial aid is not available for students who are only attending the summer semester. If you need help with your financial aid application or college financial planning, our Financial Aid Office has counselors who can assist you.

Financial Aid Policy for Adding Courses
If you intend to take “late start” courses in Summer Session I and/or Session II (for example, independent arranged courses etc. and/or CSDL (LC) courses), registration MUST be completed by the last day of the add/drop period for the specific Summer Session in which you intend to enroll.

For further information concerning financial aid eligibility, please contact the Financial Aid Office at 617-228-2275 or drop by the Financial Aid Office, Room B213.

Course Information and Requirements

Course Prerequisites
Some courses require students meet certain conditions prior to registering, known as prerequisites. Prerequisites include the following: completion of lower-level courses with a grade of C or higher (unless otherwise noted); completion of computerized placement tests (CPTs); or admission to a specific program of study. Students must bring proof of course completion from other colleges or universities at the time of registration. Because we allow preregistration for BHCC students, it is the student’s responsibility to drop the course if the final grade of the prerequisite course is a failing grade.

Developmental Courses
Courses with numbers below 100 are considered developmental, not college-level. Only college-level courses count toward an associate degree or certificate.

Schedule Adjustments
Students who wish to make an adjustment to their schedule must make the adjustment online. Students who have difficulty and are unable to process a schedule adjustment online should seek assistance at the Admissions and Registration desk, B203. Students who adjust their schedule (including adding a waitlisted course) must make full payment at the time of the adjustment. Financial Aid recipients must notify the Financial Aid Office of any adjustments to their original registration and all adjustments must be made by the end of the designated schedule adjustment deadline. Failure to do so will result in the dropping of all unpaid courses. If you accept a seat in a course for which you are waitlisted you must make payment arrangements for that course immediately.

Auditing a Course
Students who wish to audit a course must obtain permission from the Registrar. Students planning to audit a course must indicate their intention at the time of registration, must have the required prerequisites for the course, and are required to pay full tuition and fees.

Immunization Requirement
Massachusetts General Laws, Chapter 76, section 15C, requires that all full-time (9 credits in any Summer Session) and all students in health programs (full and part-time) present evidence of immunity to measles, mumps, rubella, diphtheria, tetanus, and three doses of hepatitis B vaccine. Students in health career programs must also present evidence of immunity to Varicella and Mantoux testing for Tuberculosis. For measles, mumps, rubella, and Hepatitis B, serologic proof of immunity will be acceptable. Students who fail to present the required information within 30 days from the date of registration will not be allowed to register
for subsequent semesters or receive final grades until the
immunization form is received by the Admissions and Registration
desk, B203.

**Residency Requirement**
All students registering for credit courses at BHCC, who are
claiming entitlement to in-state tuition privileges, must complete
the Application for Massachusetts In-State Tuition Rates located at
the end of this publication, and supply supporting documentation
at the time of registration.

**Alternative Learning**

**BHCConline: Your Source for Distance Education**

BHCConline has been a leader in developing innovative methods
of instructional delivery by offering the convenience and flexibility
of Distance Education courses, with a greater course selection
to facilitate student success. The BHCConline curriculum is
comprised of:

- Web courses available entirely via the Internet (section “WB”)
- Hybrid courses, that rely on both Internet and traditional
classroom instruction (section “HB”)
- Web late start semester (section “WBL”)

Distance Education courses involve the same (and at times,
greater) academic rigor as the traditional college class. Like
typical classes, they are fully accredited and transferable
to other institutions. Because teaching and learning in a virtual
environment continues to evolve, and chances are that this will
be a new experience for many students, willingness to consider
an alternative educational experience such as this should be
discussed with an academic advisor, faculty member, or a member
of the BHCConline staff.

With the exception of having to take a midterm or final exam on
campus (depending on the course), Distance Education – also
known as Online Learning - does not require that the student
be in a particular place at a particular time, or be physically
located where the instructor happens to be. Students engaged
in Online courses are required to establish and maintain weekly
dialogue with instructors through various methods such as e-mail,
discussion forums, chat rooms, messaging and web conferencing.

**Web Course Orientation**

Students who are new to online courses are strongly urged to
participate in one or more Orientation options to learn more
about taking an online course, and to learn more using Moodle,
our Learning Management System (LMS). Although participation
is not mandatory, taking part in one of these orientation options
will help you get a better grasp of the guidelines and expectations
for successfully completing web courses at Bunker Hill Community
College:

1. Participate in either of the “live” virtual computer based
orientations from home or work on Thursday evening, May
28, 2015, beginning at 8:00 p.m. EDT; or on Friday, May
29, 2015, beginning at 12:00 p.m. (noon) EDT. Go to http://
www.bhcc.mass.edu/bhcconline for login information. Note:
a phone or microphone will be needed for audio, and a
webcam is encouraged, although questions can be asked
through the session’s Chat feature, where you can type your
inquiries.

2. Listen to the prerecorded orientation any time by clicking on
the link located on the BHCConline website.

3. Join the Online Student orientation course, which begins one
week prior to the start of the semester on Tuesday, May 26,
2015, and is available through Sunday, May 31, 2015. Note:
This course is a non-graded course, but it is an excellent
chance to learn and to test the different tools you will be
using in your current course(s) in Moodle.

For more assistance, and for information about orientation, along
with general information regarding BHCConline, please email
Katie Turner (kturner@bhcc.mass.edu), or call 617-228-2466, or
visit the BHCConline Office located at the Charlestown Campus
H Building at 570 Rutherford Avenue, behind the Hood Milk
Office Park – Room H134), and/or review all the information on the
BHCConline website.

**Academic Requirements and Expectations**

It is highly recommended that students complete RDG095 and
ENG095 or place out of these courses through the college’s
incoming placement tests before enrolling in a web course. New
students should complete one of the BHCConline Orientation
sessions.

Successful students are highly motivated, independent learners
with excellent time management skills. Distance learning
students are required to maintain a consistent pace in submitting
coursework and are expected to complete their course in a
semester’s time.

Distance learning courses are rigorous, and students should
expect to spend between 6-10 hours each week working on their
course.

**Distance Education Exam Requirement**

A number of web courses require proctored exams on campus.
In extreme circumstances, you may also arrange to have exams
proctored at other colleges or approved testing locations. Call
617-228-2466 for more information.

**Technical Skills Required to take BHCConline Courses**

- Students must possess basic computer skills such as
  navigating the Internet, sending and receiving e-mail, word-
  processing, attaching documents, and toggling back-and-
  forth between applications and pages.
Center for Self-Directed Learning (CSDL)
The Center for Self-Directed Learning (CSDL) provides a unique program of study for Bunker Hill Community College students. This guided self-study program allows students to complete coursework without attending traditional lecture classes, but instead by working independently according to their own schedule and educational needs.

CSDL students work under the guidance of a course facilitator, who will be available to answer questions, offer advice, evaluate, respond to and grade student work. Facilitators are assisted by trained professional and peer tutors, who work closely with students in a one-on-one setting, or in small groups. Through the use of textbooks, multimedia resources, and required weekly hours in the CSDL, students remain active and engaged.

For more information, please visit our website at bhcc.mass.edu/csdl, call 617-228-2225, e-mail us at csdl@bhcc.mass.edu, or visit room H165.

Summer Semester Hours:
Monday-Thursday: 8:30 a.m.-8:45 p.m.

Weekend Courses
Weekend classes are designed to accommodate our students’ busy lives. Classes are scheduled in various formats to provide students with flexible options including:

- Traditional courses available on Saturdays; and
- Hybrid courses (which combine classroom instruction with online instruction).
