Organization Overview:

At Liberty Mutual, our purpose is to help people embrace today and confidently pursue tomorrow. That's why we provide an environment focused on openness, inclusion, trust and respect. Here, you'll discover a range of roles, and a workplace where you can turn your interests into a rewarding profession. Whatever path you take, your unique contributions and perspectives will be embraced.

With more than 45,000 employees in 29 countries and economies around the world, we are proud to be recognized as a "Great Place to Work" by Great Place to Work® US. We were also named by Forbes as one of America's Best Employers for New Graduates and one of America's Best Employers for Diversity—as well as one of America's Best Employers for Women [among others](#). Our focus on making things better extends to our community - we're committed to being environmentally conscious and a force for social good, while doing so at the highest standard of governance.

We value your hard work, integrity and commitment to continuous improvement, and we put people first by offering you [benefits](#) that support your life and well-being.

As a Fortune 100 company, we've spent more than 100 years creating innovative insurance products, services, ideas and technologies to meet the world's everchanging needs. Why? Because we are committed to creating peace of mind for our customers. We hope you'll join us.

Pursue your tomorrow, today.

Job Description:

When you enter a finance and accounting position at Liberty Mutual Insurance, you'll find the same dynamic environment and challenges as within other organizations. Yet you'll find something more: an opportunity to apply your analytic and technical skills to a company renowned for its integrity and dedication to developing industry-leading finance talent directly out of college.

The Details:

- Participate in robust on-the-job training opportunities to learn about the insurance industry, enhance your skills and fine-tune your business acumen and prepare you for leadership positions
- Work individually, or as part of a team, to assist with projects of increasing responsibility to build experience and skills at a pace matched to your demonstrated proficiency
- Assist with financial documentation, ad hoc reporting or analysis requests, and production based troubleshooting
- Review current procedures and identify opportunities for improved efficiency

- Gain an understanding of high-level department goals and align proposed solutions with those goals

Basic Qualifications:

- Undergraduate working towards a degree with a minimum of 3.0 cumulative GPA
- Must have permanent work authorization in the United States
- Finance or Accounting major

Desired Qualifications:

- Strong interpersonal, communication, organizational and leadership skills
- Attention to detail in a fast-paced work environment, and the ability to manage and prioritize multiple projects simultaneously
- Working knowledge of Excel and Microsoft Word
