

# ServSafe Manager Food Safety

## Get Your Food Safety Manager Certification

Did you know that in the state of Massachusetts, food service managers are required to possess the ServSafe Manager Certification? Being trained on how to safely handle and prepare food those who work in the beverage and food industry.

### One-Day Training

SLF-101E

This one-day training and exam is for managers involved with food operations. The last part of the day will be dedicated to exam time. A proctored paper-based exam will be administered and your answer sheet will be mailed to ServSafe. You will be able to check your exam results one week after the exam. Upon passing, you will be able to download your certificate. The book is not included as part of your tuition. Please purchase the course book at least a week before the first class to allow for shipping. If you do not get the book by the first day of class, you will not be able to join the class. Instead, we will move you to the next available class.

Instructions for ordering the book: Visit [servsafe.com](http://servsafe.com) and go to Login/Create Account Tab at the top to create your profile. Once you have done this, go to the Servsafe Manager link and then to the buy products site. Go to Manager Training and Certification Exam Products and select "ServSafe Manager Book 7th edition with exam answer sheet ESX7". You must bring your book on the first day of class as your instructor will be using the book. Your book also contains the answer sheet that you will need for your paper-based exam.

\*Book cost is separate and must be purchased at [servsafe.com](http://servsafe.com).
